NOTE TO: Director of Central Intelligence  
Deputy Director of Central Intelligence

THROUGH: Chairman, National Intelligence Council

FROM: David D. Gries, NIO/EA

SUBJECT: US Exhibition in Beijing

*21 MAR 1983*

Just a note to record that at the request of Deputy Secretary of Commerce Fisk, I visited Commerce on 11 March to be briefed on plans for the 1984 US Exhibition in Beijing and also to comment on how the Chinese might react to some aspects of the US plan.

[Redacted] Fisk's office apparently telephoned your office, and [Redacted] asked me to meet Fisk.
